

[RMR Seniors] Training Leaders of Cadets -- online course

12/15/2017

Good afternoon,

Rocky Mountain Region will be sponsoring an online Training Leaders of Cadets [Basic] on 20 JAN 2018 at 08:00 Mountain Standard Time.

Registration is now open at: http://www.cowgreg.org/cgi-bin/event_sign.cgi

In order to take this course, you will need to be a senior member, and to have passed Level 1. There are several modules of this course which are in the CAP Learning Management system. These modules need to be completed before you receive credit for the course.

On 5 JAN 2018 all who register will be receiving additional information as to the WebEX (tm of Cisco) session and online portions of the course.

Who should take this course? That is a great question. If you are in a Cadet or Composite squadron, you should take this course. CAPR 52-16 calls for at least two senior members of these squadrons to have TLC credit.

If you are in a Senior squadron, or at Wing or Region, you should take this course as a review of one of the missions of CAP.

If you desire to become a Character Development Instructor, you need to take this course to be eligible to apply for this position.

Please let me know if you have any questions.
